

Exhibitor's packages

S A R

2027 Munich

- The premium exhibitor's space will be a large rectangular table with 2.5 x 1.4 meter dimensions [with chairs], with power supply, wi-fi connection and a vertical standing digital display. The price will be 3500€ + VAT for the entire duration of the conference including the waiving of one registration fee [not including conference dinner]. A reduced fee of 200€ (incl. VAT) is reserved for extra persons from the exhibitor's company (not including conference dinner). Three of these packages are available (one will be allocated to the platinum sponsor)
- The standard exhibitor's space will be a small triangular table bar table (each edge 1.45 meter) with power supply and wi-fi connection, and a standard poster board. The price will be 2300€ + VAT for the entire duration of the conference including the waiving of one registration fee [not including conference dinner]. A reduced fee of 200€ (incl. VAT) is reserved for extra persons from the exhibitor's company (not including conference dinner). Four of these packages are available.
- The location of the exhibitor's space will generally be assigned on first-come-first-served basis, contingent on when exhibitors book the space . **Exhibitors that book the premium package will have priority.**
- Exhibitors are welcome to participate to the scientific program with posters or oral presentations with the same constraints as other participants: max one oral presentation, focused on scientific topics, no promotional or purely commercial talks are allowed.

Table included in standard exhibitor's space

Vertical Digital Display (included in premium package).
