

22nd International Workshop on Quantitative Structure-Activity Relationships in Environmental and Health Sciences

1-4 June 2027 | Helmholtz Munich Conference Center | Munich, Germany

Sponsorship Opportunities - Partner with the Global QSAR Community

QSAR 2027 will bring together leading scientists, innovators, regulators, and industry professionals working at the forefront of cheminformatics, computational toxicology, AI-driven molecular modeling, predictive sciences, and drug discovery. The conference will provide a unique platform for knowledge exchange, collaboration, and networking across academia, industry, and regulatory organizations. [\[qsar.eu\]](https://qsar.eu), [\[aichemist.eu\]](https://aichemist.eu), [\[linkedin.com\]](https://linkedin.com)

By becoming a sponsor, your organization will gain visibility among an international audience of decision-makers, researchers, and technology leaders while demonstrating support for scientific innovation and the advancement of predictive modeling in environmental and health sciences.
